Smaller focus groups to look at our four priorities :

- Worship – The Rector to Chair
- Especially Vulnerable –Hayley A-G to Chair
- Children & Young people – Rachel Turner to Chair
- Care of creation. – Ali Angus to Chair

Focus groups are self-selecting as per people's interest and the task will be to ask the question:

Even better if... and to bring their thoughts back to the wider gathering.

As in past years this is an opportunity to begin discerning what development of our plan might be.

Picnic Lunch in the church yard – BYO.

Perhaps the PCC could regroup after lunch to reflect and to cover any urgent PCC business that needs attention, 2pm for 30 minutes?
